FORMA COLLECTION

The Australasian designed Forma basins and toilet suites distinctly encapsulate contemporary style with a communion of curvature and defined lines.

For over 75 years, we have seen and experienced changes in technology, the community and in our everyday way of life. What hasn't changed is Caroma's pioneering spirit and its drive to meet these changes and exceed our consumers' expectations.

“With its refined design and practicality the Forma collection delivers a contemporary and stylish look that creates the perfect platform for any bathroom renovation. Incorporating patented Caroma Cleanflush® technology, the Forma toilet range delivers increased hygiene and superior flush performance.”
